COMPANY PROFILE

ABOUT US

Established in 2014, Drotrong Chinese Herb Biotech Co., Ltd. is located in Chengdu, Southwest China. Our main products include traditional Chinese medicinal materials, Chinese herbal extracts, freeze-dried food, natural spices, herbal tea, health care products and so on.

Our company operates in full compliance with GACP regulations. The whole process of seedling, planting, primary processing, storage and logistics of Chinese medicinal materials can be traced to ensure our product quality. We have 700,000 square meters' Chinese medicinal materials seedling base and 13,400,000 square meters' planting base. What's more, we have 17,000 square meters' Chinese medicinal materials factory which annual production capacity is 5,000 tons.

We sell our products to all over the world, such as America, Canada, Spain, Japan, South Korea, Malaysia, South Africa, etc. and we get a good reputation in international market.

Drotrong's enterprise principle is "quality first, customer first". We welcome customers from all over the world to cooperate with us to achieve a win-win situation!
